

Domain Registration

Attention!

This template is intended for registering domains in the .mil domain only. New 2nd domains must meet the requirements set forth in RFC 1956

Also Important!

In order to use this online registration utility, you **MUST** have a **WORKING** e-mail address located on the NIPRNET.

If you do not have an e-mail address, you should use the plain-text templates available [by FTP](#)

Required Reading: [RFC 1956](#)
